

WHY THIS FUND?

1. The fund provides a broadly diversified allocation to Alternatives exposure
2. An actively managed approach diversified across alternative assets & strategies
3. The fund is constructed using daily-dealing funds to mitigate liquidity risks

INVESTMENT OBJECTIVE

The Fund aims to achieve capital growth over the medium term (5 years).

INVESTMENT POLICY

The Fund will invest in a range of collective investment schemes, money market instruments, transferable securities (including structured products) and derivative instruments in order to gain indirect exposure to property, commodities, hedge funds, currency funds and convertible bonds.

The portfolio will be actively managed and will normally remain fully invested unless there is significant volatility in other asset markets or asset valuations are not attractive. There will, however, be no restrictions on the underlying investments held, in terms of investment type, geographical or economic sector and the fund manager has the absolute discretion to weight the portfolio towards any investment type or sector, including cash, at any time.

Borrowing will be permitted up to the levels stated in the Regulations. Foreign currency exposure may be hedged back to the base currency. The Fund may hold derivatives for investment purposes as well as for efficient portfolio management purposes. It is not intended that the use of derivatives in this way will change the risk profile of the Fund.
