

WHY THIS FUND?

1. The fund provides a broadly diversified allocation to Bonds (fixed income) exposure
2. An actively managed approach diversified across credit qualities and terms
3. The fund is constructed highly liquid funds to minimise security-specific risks

INVESTMENT OBJECTIVE

The Fund aims to achieve income whilst protecting capital wherever possible.

INVESTMENT POLICY

The Fund will invest at least 80% of its portfolio in a combination of global fixed income securities and units in collective investment schemes which themselves hold direct fixed income or fixed income related instruments.

The Fund may also invest, at the ACD's discretion, in other transferable securities (including structured products), money market instruments, cash and near cash, deposits, fixed income exchange traded funds, government or corporate bonds, and/or fixed income structured products.

Use may also be made of stock lending and borrowing. Foreign currency exposure may be hedged back to the base currency.

The Fund may hold derivatives for investment purposes as well as for efficient portfolio management purposes. It is not intended that the use of derivatives in this way will change the risk profile of the Fund.
